5 - Deadlines for transmitting results to CSCQ

Usually, the deadline for transmitting the results to CSCQ is 2 weeks after shipping of samples (see the precise shipping date on the delivery sheet or on the results form).

If you have to postpone a survey, please call 5 weeks before the shipping date. Thank you.

For the OH survey (forensic medicine), the deadline for transmitting the results is 10 days.

For the MD survey (forensic medicine), the deadline for transmitting the results is 31 days.
